Hi Shawn, Do you have an Index from SDMS of documents that has that window of dates in it to narrow things down?

Sincerely,

Hi Sabrina,

How are you doing I hope all is well. I have been tasked to document the “investigation” work

that has been done on the Upper Animas site. This is in regards to the recent Gold King Mine release. I know you are no longer on the site but did have it for about 10 years or so.

SEMS/CERCLIS identifies the following dates and milestones and I was hoping you might remember which document is linked with the following dates:

**8.27.2010** – Site Reassessment – Field Sampling Plan Upper Animas Mining District. SDMS #1260055?

**11.17.2010** – General PA/SI.

**1.9.2011** - Site Reassessment.

Any help would be greatly appreciated. Thanks!!!
